MAKING CONNECTIONS

OUR 2ND ANNUAL PEDIATRIC BRAIN INJURY RESOURCE FAIR & CONFERENCE

PRESENTED BY:

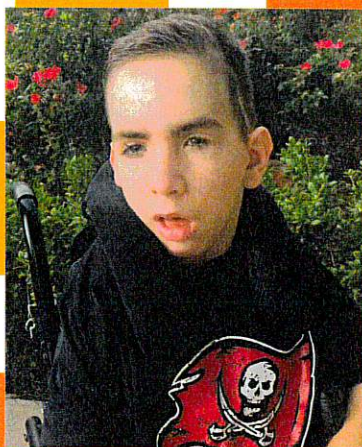

Exhibiting at Making Connections, our joint pediatric conference and resource fair is a great way for you to connect with families of children with brain injury. Our parents are eager to explore services, products, technologies, and other resources that would benefit their children. Supporting this conference creates a unique opportunity to connect with this community, and allows both the Texas Brain Injury Alliance and Team Luke Hope for Minds to continue to advocate and educate on behalf of survivors.
